Parents Information:

I would like to ask that all parents be supportive of coaches and players, exercising and promoting, sportsmanship and fair play. I expect that parents will be role models to the juniors and would like parents to follow the points below

- Remember that children participate in sport for their enjoyment, not yours.
- Focus on your child's efforts and performance rather than winning or losing.
- Encourage children to compete according to the rules.
- Never ridicule or yell at a child for making a mistake or losing.
- Respect officials decisions and teach children to do likewise
- Show appreciation for coaches and officials

The aforementioned above is just so we can get the season off to the right start and maintain this throughout 2010.

Finally:

I just want to extend my gratitude again not only to those who have put their hands up to coach for the 2010 season, but also to all the parents and spectators who turn up to support not only your children but the club also.

Looking forward to the first competition day in Alexandra!!!!

Have a great Easter and long weekend!
